[25 FR 9093, Sept. 22, 1960. Redesignated at 26 FR 12751, Dec. 30, 1961, and amended at 31 FR 10462, Aug. 4, 1966]

§ 906.20 Districts.

For the purpose of determining the basis for selecting producer committee members the following districts of the production area are hereby initially established:

District No. 1: The county of Cameron in the State of Texas;

District No. 2: The county of Hidalgo in the State of Texas; and

District No. 3 The county of Willacy in the State of Texas.

§ 906.21 Redistricting.

The committee may recommend, and pursuant thereto the Secretary may approve, the reapportionment of members among districts, the reapportionment of members between grower and handler members representing cooperative marketing organizations and independent grower and independent handler members, and the re-establishment of districts within the production area. In recommending such changes, the committee shall give consideration to: (a) Shifts in production; (b) the importance of new production in its relation to existing districts; (c) the equitable relationship of committee membership and districts; (d) changes in amount of fruit handled by cooperative marketing organizations in relation to fruit handled by independent handlers; and (e) other relevant factors. No changes in districting or in apportion-

ment of members may become effective in less than 30 days prior to the date on which terms of office begin each year and no recommendations for such re-districting or reapportionment may be made less than six months prior to such date.

§ 906.22 Selection.

(a) From District No. 1 the Secretary shall select initially two producer members and their alternates representing independent producers. From District No. 2 the Secretary shall select initially two producer members and their respective alternates representing producers who market their fruit through cooperative marketing organizations, and four producer members and their respective alternates representing independent producers. From District No. 3 the Secretary shall select initially one producer member and his alternate representing independent producers.

(b) From the production area the Secretary shall select initially six handler members and their respective alternates. One handler member shall represent cooperative marketing organizations and five handler members shall represent independent handlers.

§ 906.23 Nominations.

The Secretary may select the members of the committee and alternates from nominations which may be made in the following manner:

(a) A meeting of producers who are members of cooperative marketing organizations and a meeting of independent producers shall be held for each district having both cooperative and independent producer members and alternates to elect nominees for such positions. For all other districts, meetings of all producers shall be held for such purpose. A meeting of handlers representing cooperative marketing organizations and a meeting of independent handlers shall be held in the production area to elect nominees for handler members and alternates. For nominations to the initial committee, the meetings may be sponsored by the United States Department of Agriculture or by any agency or group requested to do so by such Department.

§ 906.24

For nominations for succeeding members and alternates on the committee, the committee shall hold such meetings or cause them to be held prior to June 15 of each year, after the effective date of this subpart.

(b) At each such meeting at least one nomination shall be designated for each position as member and alternate.

(c) Nominations for committee members and alternates following the initial committee shall be supplied to the Secretary not later than July 1 each year.

(d) In districts having both cooperative and independent producer members, only producers who market their fruit through cooperative marketing organizations may participate in designating nominees for members and alternates representing cooperative producers; and only independent producers may participate in designating nominees for members and alternates representing independent producers. In all other districts, all producers may participate in designating the nominees for producer members and alternates. Only handlers representing cooperative marketing organizations may participate in designating nominees for members and alternates representing cooperative handlers; and only independent handlers may participate in designating nominees for members and alternates representing independent handlers. In the event that a person is engaged in producing fruit in more than one district such person shall elect the district within which he may participate, as aforesaid, in designating nominees.

(e) Regardless of the amount of fruit handled by a handler or the number of districts in which a person produces fruit, each person is entitled to cast only one vote on behalf of himself, his agents, subsidiaries, affiliates, and representatives in designating nominees for committee members and alternates. An eligible voter's privilege of casting only one vote shall be construed to permit a voter to cast one vote for each position to be filled. Votes must be cast in person at all nomination meetings.

7 CFR Ch. IX (1-1-06 Edition)

§ 906.24 Failure to nominate.

If nominations are not made within the time and in the manner specified in § 906.23, the Secretary may, without regard to nominations, select the committee members and alternates, which selection shall be on the basis of the representation provided for in §§ 906.20 through 906.22, inclusive.

§ 906.25 Acceptance.

Any person selected as a committee member or alternate shall qualify by filing a written acceptance with the Secretary within ten days after being notified of such selection.

§ 906.26 Vacancies.

To fill committee vacancies, the Secretary may select such members or alternates from unselected nominees on the current nominee list from the district and group involved, or from nominations made in the manner specified in § 906.23. If the names of nominees to fill any such vacancy are not made available to the Secretary within 30 days after such vacancy occurs, such vacancy may be filled without regard to nominations, which selection shall be made on the basis of representation provided for in §§ 906.20 through 906.22, inclusive.

§ 906.27 Alternate members.

An alternate member of the committee shall act in the place and stead of the member for whom he is an alternate, during such member's absence or when designated to do so by the member for whom he is an alternate. In the event both a member and his alternate are unable to attend a committee meeting, the committee members present may designate another alternate of the same classification (handler or producer, and to the extent practical, independent, or co-op) to serve in such member's place and stead. In the event of the death, removal, resignation, or disqualification of a member, his alternate shall act for him until a successor of such member is selected and has qualified.
